Matters for Discussion

A Halloween event is being organised by local parents for children to walk around the village in costumes on a set route within responsible guidelines. There will be no door knocking due to Covid restrictions.

Reverend Sally Wheeler advised that Remembrance Sunday would be marked by the village within responsible guidelines. The laying of wreaths would still go ahead and residents would be able to pay their respects within their household groups at a safe distance.

A Christmas/Christingle event is also being looked at with pre recorded singing and candles etc.

The Parish Council gave thanks to the organisers of these events and offered support where needed.
